

## DISCLAIMER

Singapore: This publication has been prepared for East West Private Wealth Pte. Ltd ("East West Private Wealth"), a subsidiary of Milltrust International Group (Singapore) Pte. Ltd, and an affiliate of Milltrust Ventures Pte. Ltd, a MAS Registered Venture Capital Fund Management Company, for Accredited and/or Institutional investors ("A/I") (as defined in Section 4A of the Securities and Futures Act, Chapter 289 of Singapore). A/Is are assumed to have access to better resources and are sufficiently sophisticated to protect their own interests, according them less regulatory protection than retail investors. Investors who agree to be treated as A/Is therefore forgo the benefit of certain regulatory safeguards. You should consult a professional adviser if you do not understand the consequences of being treated as an A/I. This publication is provided on a general basis for informative purposes only and does not constitute an invitation, recommendation, offer or solicitation to acquire, purchase or subscribe to any products offered by East West Private Wealth or its affiliates. The information contained herein is not to be relied on as investment, legal, tax or other advice, as it does not consider the investment objectives, financial situation, or particular needs of any specific investor. While care has been taken in preparing the information contained herein, the information is published without warranty of any kind, whether express or implied, to the reader or any investor. East West Private Wealth makes no representation or warranty as to the accuracy, completeness or reliability of the information referred to herein. Any offer or solicitation will be made through approved channels to pre-determined A/Is and would be only upon the completion of onboarding of said investor, including the completion of the relevant offer documentation such as the management/advisory agreements, all of which must be read in their entirety. Investments in financial products are subject to investment risks, including the possible loss of the principal amount invested. The value of any financial product invested into, and the income from it, may fall or rise, and investors may not get back the amount originally invested. Currency exchange rate changes may cause the value of overseas investments to rise or fall. It is important to note that the past performance or track record of any financial product is not necessarily indicative of future performance. This publication may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. All opinions and estimates expressed herein are subject to change without notice. Advice should be sought from an independent financial adviser regarding the suitability of any financial products considered before investing in such products. If you decide not to seek advice from an independent financial adviser, you should consider carefully whether the financial products are suitable for you based on your risk appetite, time constraints and financial resources, amongst others. All relevant offering materials should be read carefully before an investment decision is made. East West Private Wealth shall not have any liability for any representations (express or implied) regarding the information contained herein, or for any omissions from this publication, or any other written or oral communications transmitted to investors. This publication has not been reviewed by the Monetary Authority of Singapore.
